- Think about what grades you will teach first and which you will pick up later
- The goal is you pick up a grade level each week so by the end of 7 weeks you are teaching the whole school
- If there is something different/unique at your site (i.e., a genius hour, art club, etc.) make note of that, we can plan with those ideas in mind.

\*NOTE- The dates planned here are based on OSU spring semester schedule- as such these are subject to change, and we will adjust accordingly.
